

# BURGUNDY PROMOTION

Customers have been asking us for more red Burgundies by the glass. So here they are!

My team and I tasted a selection of almost 50 red Burgundies this month and curated a list of 20 of the best wines. The vintages in this list – mostly 2017, 2018 and 2019 – have vibrant fruit character and are great for early drinking. We found that now, with increasingly warm vintages in general, excellent value can be found from the Hautes Côtes de Nuits – the hillsides of Burgundy – as well as lesser known villages like Marsannay in the north. And of course there are some gems from the classic villages of Gevrey Chambertin, Morey St Denis and Nuits St Georges. Some beautiful wines are also from the Côte de Beaune.

Plus, look out for a couple of reds from Chassagne-Montrachet – better known for its chardonnay, the reds have fantastic tannin structure and focus.

We believe that good Burgundy should not be determined by exclusivity and sky-high prices, but more on delicious, good value wines. And now is a great time to discover value red Burgundy. Please drink and enjoy.
